

What We Purchase

Our diverse company portfolio encompasses civil infrastructure, energy generating facilities, heavy steel fabrication; for the private and public entities. Our industry continually evolves and it is our imperative to persistently seek new sources of goods and services to meet the demands of our customers and their respective projects.

We pride ourselves on the knowledge, skill, experience, and customer commitment our relationships with suppliers and contractors bring to every project.

We acquire goods and services for projects in support of fast track construction of world class projects. Our Acquisition Strategy leverages the best technologies, international competition, world class products, world class contractors, and local content to deliver an optimized supply base for each project and customer. We work with qualified suppliers and contractors who perform with our quality expectations in mind.

We strive to give fair and equal treatment to all, ensuring a level field of competition to the highest ethical standards in the industry. We seek professional organizations that can meet these ideals and grow their competence jointly with us on increasingly difficult projects. Finally, technology allows us to leverage our work processes, knowledge, and supply chain relationships; we expect our suppliers and contractors to support the way we work.

To meet our needs as described above, we look for suppliers and contractors who have an interest to provide the following goods and services;

- Sand, Aggregate, Stone
- Marine
- urveying, Oceanographic, Marine
- Piles and Caissons

- Railroad
- Surfacing and Paving

Concrete

- Cast-In-Place Concrete
- Reinforcing Steel
- Structural Pre-cast Concrete - Plant Cast
- Formwork
- Distributables – General Construction
- Equipment, Tools, Supplies
- Construction Fasteners

Health and Safety

- Medical Consumables
- Safety Consumables
- Safety Equipment
- Scaffolding
- Temporary Buildings, Rigging

Electrical

Bus Ducts and Supports
Cable and Wire
Communications Equipment
Antenna Towers
Antennas
Wireless Equipment, Tower
Direct Current Equipment
Motor Control Centers and Distribution Panels
Motors
Packaged Substations / Distribution Centers

Instrumentation

Analytical Instrument

Analyzer, Gas; Flue, Stack, Chem System
Analyzer, Infrared
Analyzer System Houses / Shelters
Steam / Water Analysis System
Bulk Materials
Instrument Tube and Pipe Fittings and Accessories
Control Panel and Instruments Panels, Local and Control Room
Digital Control and Management Information
Distributed Control System
Emergency Shutdown System
Flow Instrument
Flowmeter
Metering / Proving Systems
Orifice Plate
Level Instrument
Gauge, Magnetic Level
Transmitter, Level, RF / Radar
Pressure Instrument
Temperature Instrument
Valves and Assemblies

Materials - Engineered Technology

Coatings and Painting
Fireproofing, Process Fire Areas
Industrial Insulation
Lining and Liners
Refractory
Welding, Insulation, Refractory, Coatings
Welding, Materials and Services

Mechanical

Air Handling, Fans, Blowers
Boilers, Heaters and Furnaces
Bulk Solids / Liquid Transfer
Compressors / Vacuum Equipment
Condensers / Cooling Towers
Ductwork and Dampers
Fabricated, Machined, Cast or Assembled

Components
Anode Beams
Cathode Blocks and Bars
Gas Scrubbing / Treating
Heat Exchangers
Air-Cooled
Shell and Tube
Liquid Separation and Purification

- Material Processing Equipment
 - Crushers
 - Extruders
 - Mill
- Mobile Equipment and Transportable Devices
 - Motorized Trucks/Transport
 - Passenger Vehicles, Pick-Up
- Nozzles
 - Pot Lining Materials
 - Pot Superstructures
- Platework, Bins, Silos, Launderers and Liners
- Pressure Vessels and Columns
- Pumps
- Tanks
- Turbine Generators
- Unit Handling and Packaging
 - Cranes
 - Hoists
 - Tending Machines

Piping

- Bulk Piping
- Pipe
- Pipe – Fabricated Pipe Spools
- Pipe – Fittings and Flanges
- Piping Specialty Items
- Valves

Structural

- Gratings
- Metal Fabrications
- Structural and Miscellaneous Steel
- Structural Steel, Misc. Steel, Joists, Furnishing
